## Gabby Witt

Gabby Witt is an Operations Senior Manager for CuraScript SD by Evernorth. As part of her role, she oversees the day-to-day operations at the new distribution center in Delaware. Gabby has had the opportunity to help build that site from the ground up and is excited to see it all in full swing. Gabby's favorite part of her work is the people, who from day one have been welcoming and supportive.

When asked how she represents Caring for those who care®, Gabby responded, "It goes back to our employees. Our number one initiative for the new site is to ensure that we support our team and equip them to succeed. We recently took a team to our Grove City, Ohio, location to get them hands-on experience while waiting for our license. We have had a unique opportunity to get to know the team as we build the site. I believe when your team has a sense that they are cared for, they can pass on the caring as they care for others."

Gabby and the rest of our team look forward to providing specialized services to assist your practice.
