

Employee Spotlight – Jamie Costa

Caring Team for Care Providers

At CuraScript SD, we are continuously **Caring for those who care®** in everything we do. In every aspect of our business, we work to provide your practice with the products and services you need to support your patients. This is no small feat. All of our employees work hard every day to help provide you with the best service possible.

Whether that's filling your orders or helping with any questions or issues you may have, all our teams assemble to support our organization so we can better care for your practice.

Jamie Costa

Jamie Costa is the Customer Service Senior Analyst for the Digital Services team. He acts as an intermediary among our valued customers, technology teams and various business departments to effectively troubleshoot issues as well as provide support for web commerce enhancements and fixes. Jamie's favorite part of the job is providing solutions to our customers and associates that were previously unknown to them. When asked how she works to represent **Caring for those who care®**, Jamie responded, "To me, it means providing exceptional service to those who serve us. If I can serve our customers, then that makes it easier for them to do the same for their patients. Being that more and more of our

customers rely on CuraScript SD to provide them with essential products, I've come to realize how important our role is in Digital Services."

Jamie and the rest of our team look forward to providing personalized innovations to assist your practice.
