Caring Team for Care Providers

At CuraScript SD by Evernorth, we are continuously Caring for those who care® in everything we do. In every aspect of our business, we work to provide your practice with the products and services you need to support your patients. This is no small feat. All of our employees work hard every day to help provide you with the best service possible.

Whether that's filling your orders or helping with any questions or issues you may have, all our teams assemble to support our organization so we can better care for your practice.

John Joseph

John Joseph is a Software Engineering Senior Advisor for CuraScript SD by Evernorth. As part of his role, he leads the reporting team, focusing on maturing the capabilities around data model definition and management, technical governance, and practice management. John's favorite part of his work is the collaboration amongst his team as everyone works with the common goal of resolving technical issues so CuraScript SD can continue operating efficiently.

When asked how he represents Caring for those who care®, John responded, "My team works hard to enable and empower our organization to make informed, data-driven decisions, driving business efficiency and successes."

John and the rest of our team look forward to providing specialized services to assist your practice.
