All of our employees work hard every day to help provide you with the best service possible.

Whether that's filling your orders or helping with any questions or issues you may have, all our teams assemble to support our organization so we can better care for your practice.

Joshua DeSoren

Joshua DeSoren, a Financial Analysis Advisor for CuraScript SD by Evernorth, creates and reviews financial reporting for vendors and works with different teams across the organization to ensure our Pharma Billing Fees and Pricing are correct. He also helps to supply financial data to our Sales and Accounting teams so business decisions can be made quickly. Joshua's favorite part of his work is playing with large data sets and finding solutions to issues. He says, "It can be like a giant puzzle and figuring out where all the pieces are is a fun challenge."

When asked how he represents Caring for those who care®, Joshua responded, "As a member of a shared services team, although I do not normally interface with our external customers and vendors, I work to provide support and value to others at CuraScript SD through in-depth analysis and efficiencies."

Joshua and the rest of our team look forward to providing specialized services to assist your practice.
