Nichole Bailey

Nichole Bailey is a Sales Administration Manager on our Sales Operations team, where she supports team members, improves processes, helps solve complex challenges, and partners across departments to create exceptional customer experiences. Nichole's favorite part of her position is the people she works with every day. "I've been fortunate to have incredible leaders who saw something in me before I fully saw it in myself. Their encouragement, wisdom, and willingness to invest in my growth shaped the leader I am today, and it's inspired me to do the same for others."

When asked how she represents Caring for those who care®, Nichole responded, "To me, caring starts with connection. I strive to create an environment where people feel valued, supported, and empowered to do their best work. I'm a wife and proud mom of four, and both at home and at work, I've learned that when you invest in people, incredible things happen. Together, we build stronger

teams, stronger relationships, and ultimately make a greater impact for the healthcare providers and patients we serve."

Nichole and the rest of our team look forward to providing specialized services to assist your practice.
