

+ Employee Spotlight – Sammi Mendez

Caring Team for Care Providers

At CuraScript SD by Evernorth, we are continuously Caring for those who care® in everything we do. In every aspect of our business, we work to provide your practice with the products and services you need to support your patients. This is no small feat. All of our employees work hard every day to help provide you with the best service possible.

Whether that's filling your orders or helping with any questions or issues you may have, all our teams assemble to support our organization so we can better care for your practice.

Sammi Mendez

Sammi Mendez is a Sr. Customer Service Analyst on the Digital Services team for CuraScript SD by Evernorth. She serves as a key liaison between internal teams and external customers, ensuring seamless support for our e-commerce platform. Sammi's favorite part of her work is being able to help people. Whether it's guiding a customer through a complex issue on our ordering platform or empowering associates with the tools and training they need to succeed, she enjoys turning challenges into solutions and making the e-commerce experience smoother and more intuitive for everyone involved.

When asked how she represents Caring for those who care®, Sammi responded, "I represent Caring for those who care® by being a reliable partner to both our internal teams and our customers. I take pride in supporting healthcare professionals by ensuring their ordering experience is smooth, efficient, and

stress-free because I know that every order placed helps them care for their patients. My goal is to make their jobs easier, so they can focus on what matters most: caring for others."

Sammi and the rest of our team look forward to providing specialized services to assist your practice.

Distribution and Beyond

CuraScript SD by Evernorth has several teams of professionals who continuously strive to excel in their fields to assist physicians and their practices. These talented individuals are spread across various departments built to manage our customers' various needs:
