Caring Team for Care Providers

At CuraScript SD by Evernorth, we are continuously Caring for those who care® in everything we do. In every aspect of our business, we work to provide your practice with the products and services you need to support your patients. This is no small feat. All of our employees work hard every day to help provide you with the best service possible.

Whether that's filling your orders or helping with any questions or issues you may have, all our teams assemble to support our organization so we can better care for your practice.

Yeni Dominguez

Yeni Dominguez is a Purchasing Analytics Manager for CuraScript SD by Evernorth. In her role, Yeni maintains inventory requirements and manages class-of-trade requirements to ensure that inventory levels align with contractual obligations. Yeni's favorite part of her job is translating complex issues into actionable planning strategies that drive real financial and operational impact, as well as collaborating with other teams to ensure consistency and accuracy across the business.

When asked how she represents Caring for those who care®, Yeni responded, "I ensure contractual class of trade and inventory management requirements are accurate, compliant, and well maintained. This allows our internal teams and partners to focus on what they do best, knowing the contractual and inventory foundations are solid and reliable."

Yeni and the rest of our team look forward to providing specialized services to assist your practice.
