Online order pads

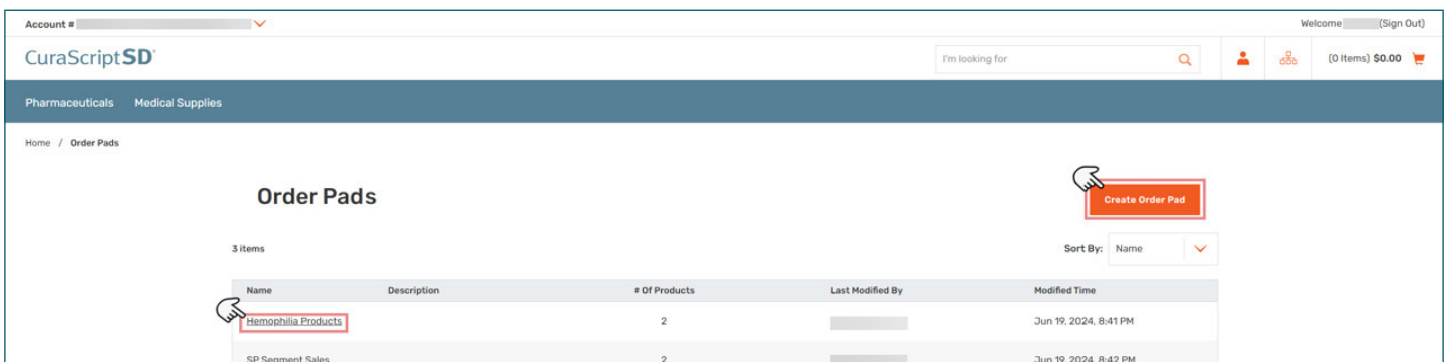

CuraScript SD's online ordering website has an order pad feature which allows users to view and create lists which contain frequently purchased items, item preferences and favorites. Order pads provide easy and fast access to specific product selections.

Accessing order pads

1. Log into the CuraScript SD by Evernorth online ordering website at www.curascriptsd.com.
2. You can access order pads by clicking the **My Account** drop down menu located in the main navigation bar.

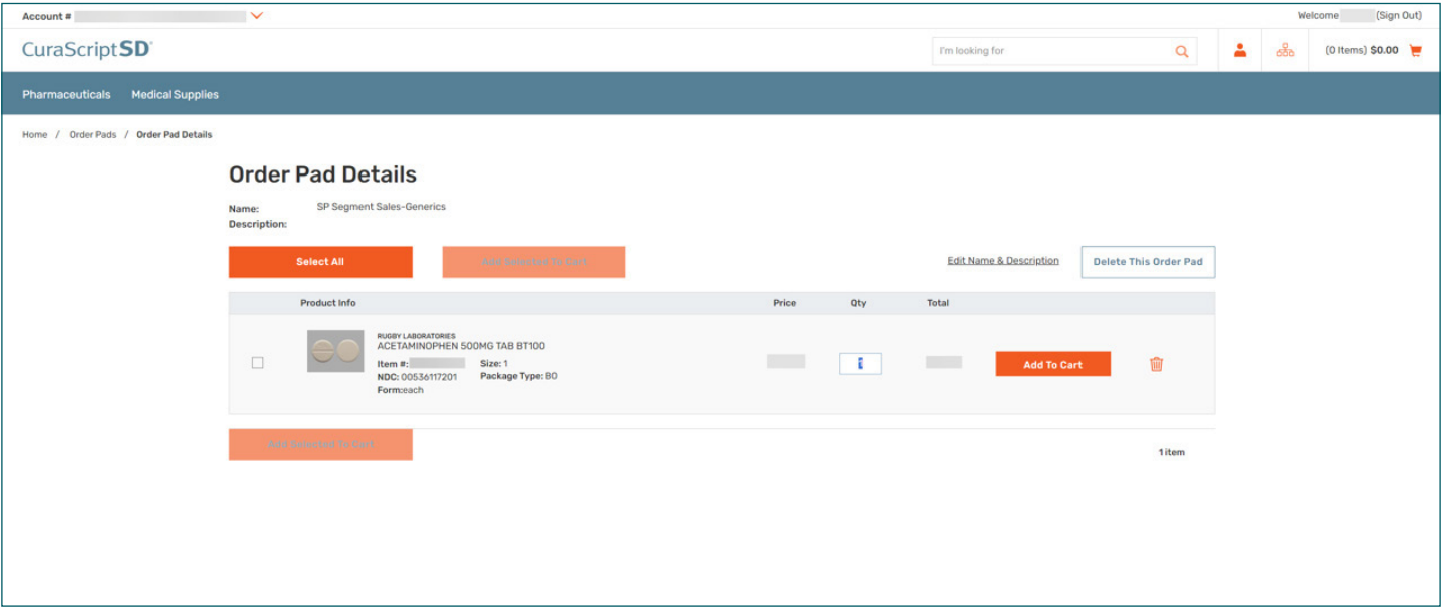

3. On this page you can select or create an order pads.

Adding items from an order pad to shopping cart

- 1. Toggle each item for purchase, enter the **Quantity** you would like added to your Cart and then click the **Add to Cart** or **Add Selected to Cart** button.

- 2. A popup will appear confirming the item(s) selected has successfully been added to your cart. You can choose to **Continue Shopping** or **Checkout**.
