

Providing Support for Pediatric Practices

Dedicated Account Managers

CuraScript SD understands how important it is for pediatric physicians to be efficient and effective when treating their patients. We assign dedicated account managers that work one-on-one with physicians to recognize trends and select the services, purchasing options and seamless delivery solutions that best suit the needs of each practice. Building strong relationships with each physician is important, and our team is available to support the pediatric community.

Customized Solutions

CuraScript SD provides integrated delivery solutions to ensure the safe and consistent distribution of pharmaceuticals and medical supplies for office or clinic administration. In addition to an extensive inventory, we offer competitive pricing on pharmaceuticals and supplies, rebate and contract management, simplified billing, flexible terms, easy ordering options and more.

Total Account Management

Our total account management approach to serving our pediatric practices provides new avenues for growth. From revenue cycle management and contract eligibility to inventory controls, CuraScript SD offers

solutions tailored to physicians for practice success.

Meeting Your Needs

Here are just a few of the ways that CuraScript SD provides superior care to pediatric practices:

- **Convenient ordering options** – phone, fax and online ordering options are available with no order schedules and no volume restrictions
- **Easy account setup** – initial orders are typically shipped within 48 hours of receipt of the credit application and credentials
- **Contract pricing assurance** – our exclusive contract pricing assurance tools allow for improved compliance and greater visibility of contracted savings
- **Flexible shipping options** – we offer next day service on all refrigerated products as well as Friday-for-Monday delivery at no additional charge
- **Authorized GPO supplier** – as an authorized supplier for most group purchasing organizations, we can offer additional savings to members through their GPO contract.
