CuraScript SD Procurement Team

*The CuraScript SD Procurement
Team provides **what** customers
need, **when** they need it*

01 | Introduction

A successful specialty distribution provides what customers need, when they need it. The CuraScript SD Procurement Team procures pharmaceutical and medical supply items to support our customers.

Our focus is simple:

- Maintain adequate inventory levels and lead times necessary to efficiently and effectively service our customers
- Work to provide competitive pricing, reliable supply and product mix for our customers

02 | Managing Inventory Levels

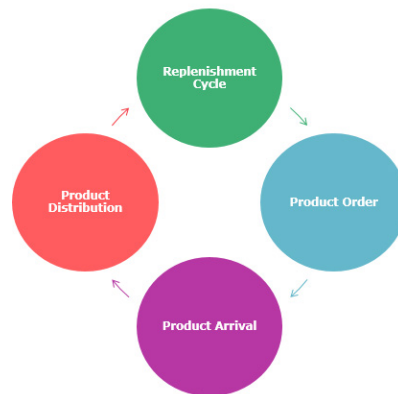

The success of any Specialty Distributor depends on the Procurement Team's ability to maintain adequate inventory levels and lead times necessary to efficiently and effectively service its customers. The CuraScript

SD Procurement Team is structured to excel at strategically managing inventory levels.

03 | Providing Competitive Pricing & More

The CuraScript SD Procurement Team's second area of focus, which is equally important, is to work to provide competitive pricing, as well as reliable supply and product mix for customers. The team acts as a liaison between the internal sales team, the Distribution Center and the manufacturers to ensure the best possible results for our customers.
